(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: Claims will be restricted to mixtures of A, B, D, E and G as defined in the specification on pages 10-11. Claims are to be construed as reciting that exactly one of each category of refrigerant is present. In exchange for broadening the search to this extent, applicant admits on the record that substitution of one refrigerant A for any other would be obvious, likewise for refrigerants B, and for refrigerants D. .
